

## Bay Area Solution

As the hints indicate, each picture has a character from a fairly well-known TV show. The quotes are each being said by one of the characters ABOUT another character. That other character is hidden within the letters of each quote with an extra letter inserted. The letters should be ordered based on the order the order of the pictures (for the beginner version) or the order of the shows (for the original version).

Mork and Mindy	Mork	Mindy	C	My roommate was great, she didn't mind cynicism or the odd habits that I brought from Ork.
Gilligan's Island	Mary-ann	Ginger	H	It wasn't uncommon for me to hear this movie star singing her favorite tunes.
Knight Rider	Michael	KITT	E	Whenever I needed "him", he would make it to me every time.
South Park	Stan	Eric	S	What a fat-&*&k, I mean is there a dirtier, sicker or more vulgar kid out there than my classmate?!
The Simpsons	Bart	Lisa	S	My lil sis always tries to do the right thing... Oh brother! I came off as a comedian. People said it helped with the ladies (except for this one), but I think it was the fact that I own a bar.
Cheers	Sam	Diane	P	To find out - after he faked a balloon crash - that he was the leader of the others. I should have known he was being weird!
Lost	Jack	Ben	I	What is the deal with my short, balding friend? Gee or gee whiz is a common expression when dealing with his life.
Seinfeld	Jerry	George	E	Love and Marriage? Yeah, we had a bit of that... but, I'd be impressed if my husband could even unhook my braclasp.
Married with Children	Peg	Al	C	My son was a young republican and while he didn't make it to Yale, extra education eventually got him a job on Wall street.
Family Ties	Mallory	Alex	E	My boss was no angel - can you believe I didn't get paid more?
Who's the Boss	Tony	Angela	C	While I was off trying to teach and learn paleontology, this guy was dating and eventually marrying my sister!
Friends	Ross	Chandler	A	My roommate was a plain Jane stuck working in a flower shop.
Three's Company	Jack	Janet	S	Kids, I dated her for a bit - she's hot and easy to flatter - if you call her a heartthrob it never gets old to her.
How I Met Your Mother	Ted	Robin	T	I always got good advice from this neighborly neighbor. And, if there was a battle of wills on, I'd put my money on him.
Home Improvement	Tim	Wilson	L	
Sex and the City	Carrie	Samantha	E	My friend is a bit promiscuous, she would happily use a man that only wanted sex.

Chess piece castle: Rook
