

## Hints – Meta

1. You need to use the information on the answer sheet (approximately) left to right. The title of the shows got you this far...

2. Use the network and date/time of the eight shows you visited to extract information from the colored wires on the remote.

3. Following hint 2 gets you a 24-letter phrase that will help you find more detailed instructions. To follow them, look closely at your answer words and fill in the Favorite Show Tracker.
