

Cinderella:

Part 1: Construct the wandagons properly.

Part 2: Realize that the center circles of each wandagon form a word, and can be placed in the sheet with the corresponding colors.

Part 3: Realize that each wandagon can be twisted (folded inward or outward) into two other wandagons, each with a new pair of words. There are 6 total words on each wandagon.

- TEACUP > BROOCH (C)
- TOWEL > PURSE (E)
- BURLAP > VELVET (L)
- ROPE > TANKLE (E)
- BEAN > RUBY (B)
- FORK > TIARA (R)
- CHAIR > VESPA (A)
- TERRY > SATIN (T)
- BRICK > IPHONE (I)
- BUTTON > RING (N)
- TWIGS > BANGLE (G)
- SKUNK > LAPDOG (NONE)

Part 4: Once all the words are placed, each pair of words contains one common letter. Those letters spell out the final answer.

Answer: CELEBRATING
