

**Hansel & Gretel:**

1. Locate and circle all the listed candies in the word search (highlighted in blue below)
2. Take note of the 6 candies are missing a letter (missing letters are in outline below)
3. Note that each of the 6 missing letters indicates a bread hidden in the grid (highlighted in red below)
4. Breads may also be found by reconstructing the hidden message in the unused letters: "TO FIND THE TRAIL USE THE CRUMBS OR THIS MESSAGE"
5. Note that the breads form a trail from the house and leading to the rainbow exit at the bottom.
6. Note the bolded words "crumbs" and "crosses" in the flavortext.
7. Following the path from the house to the exit, read off the crumbs (missing letters) and crosses (intersections of breads) as you pass them to get the answer: SWEETBREADS

Answer: SWEETBREADS
