

## The Golden Gate Bridge

It has been said that a bridge can span over a great land and that it can guide us to areas of greater knowledge beyond the bridges themselves. Here we have lost track of our ten bridges across the bay. Use the clues below, a ruler, and a marker to find the bridge and circle any letters you may cross along the way. Doing this will help you find a five letter word that completes a title beginning with "The."

Booth's target.

— — — — —

Emily and Anne's kin.

— — — — —

Explorer with his own day.

— — — — —

Film with Denzel and Antonio.

— — — — —

He was a Duke and a Jackass.

— — — — —

He's been an elf, pirate, and king.

— — — — —

Performer who was originally  
a Deutschendorf.

— — — — —
