

Note: This sheet makes 4 3x5 rectangles. There is a little bit of color bleed around the edges. Do not cut at the edge of the white and off-white; cut 4 3x5 rectangles.

Basic Lemonade Recipe

Gather water, lemon, and sugar.

1. Filter water of impurities. Squeeze lemon wedges. Measure sugar in lumps. Combine and mix well to make two portions of ten servings each.

2. When ready, pour into cups.
