

P8: Buyout

Each picture depicts a brand/product name, but in a slightly different way from usual. The orange person is performing some action on an object that together, forms the brand/product name.

If you take the letters corresponding to the numbers and arrange them from 1-32, you get the phrase: "DISTRIBUTE BIG POINTY TROPICAL FRUIT". Again this is an action acting on an object and a reference to another brand/product, namely **DOLE PINEAPPLE**.
