

P9: Memoirs

The business cards that were received along the way are actually all rebuses. The rebuses depict a word that correspond to one of the chapter titles. They are as follows:

<p>1.) "Put it back!"</p>  <p>REINSTALL</p>	<p>2.) Where We Came From</p>  <p>HOMELANDS</p>	<p>3.) Something New</p>  <p>DISCOVERY</p>
<p>4.) Struggles</p>  <p>FLOUNDERS</p>	<p>5.) In Front</p>  <p>DOWNSTAGE</p>	<p>6.) Higher Than Princes</p>  <p>ARCHDUKES</p>
<p>7.) Unintended Consequences</p>  <p>BACKFIRES</p>	<p>8.) Standing, Justly</p>  <p>UPRIGHTLY</p>	<p>9.) Hard To Believe</p>  <p>DISHONEST</p>

The next step is to use the lemon slices. For each chapter, the color of the card indicates which color in each lemon slice to look at. The corresponding rebus word is 9 nine letters long, and so you must find the 9 lemon slices that have the letters in the rebus word. Taking the center letters of the 9 lemon slices chosen gives you the word LEMONADE with an extra letter. The letter corresponding to the extra letter is what we want:

- 1.) REINSTALL → LEMONADE**M**
- 2.) HOMELANDS → L**E**NMONADE
- 3.) DISCOVERY → LEMONAD**L**E
- 4.) FLOUNDERS → LEMONAL**D**E
- 5.) DOWNSTAGE → L**E**LMONADE
- 6.) ARCHDUKES → LEMO**A**NADE
- 7.) BACKFIRES → L**N**EMONADE
- 8.) UPRIGHTLY → L**A**EMONADE
- 9.) DISHONEST → L**O**EMONADE

The last thing to do is to look at the ISBN number given on the table of contents page. It says 5427647142-8934. We just need to assign the appropriate letters we found above to them:

5427647142-8934 → WEMADEALEM-PIRE. This is a pun that's supposed to read as an answer to Life Gave Us Lemons...

WE MADE A LEM-PIRE
