Read the letters that are crossed through from left to right, top to bottom. This gives:
SHIFTTEASTARTSBYPOINTS

This message tells us to take each tea name and shift the first letter by the number of points on the leaf that is passed through.

- Peppermint: P + 4 = T
- Jasmine: J + 13 = W
- Chamomile: C + 5 = H
- Yak Butter: Y + 2 = A
- English Breakfast: E + 4 = I
- Earl Grey: E + 8 = M
- Matcha: M + 1 = N

Anagramming these letters gives us the author of *Leaves of Grass*: **WHITMAN**
